Downtown Amore

I want to thank you in advance for considering me for the opportunity to serve you and your family's hair care needs.

Cutting hair is only part of my job. Cutting your hair the way you want it is everything. I am committed to first listening, then cutting. Along with cutting, styling and product knowledge you will have the added value of coloring the hair to compliment your haircut. This in my opinion can take a regular haircut and turn it into a hair style you've always wanted. As a professional I am committed to consistently providing you with excellent customer service. I take pride in offering you the most current updated looks, and top of the line product and color system. I will personally give you the education you deserve on proper product usage. Last, but not least, I am committed to continuing my education, so I can be the best I can be! At our scheduled time together, I will look forward to providing you with the best service you will ever experience. That's Amore!
