

Chardee Timis

She has been with Amore salons for about 5 years this June.

Her passion is Volume lash extensions! She has 6 years experience with lash extensions. She has been Minky's certified since 2016. She is driven in understanding what is appropriate for your specific natural lash to achieve desired look with health of natural lash taken into consideration! Her favorite part of doing lashes is watching your face light up in the mirror after your first fullset and knowing she helped someone achieve a beauty goal!

She also loves to color and cut hair! She enjoys vibrant fashion colors and natural balayage to highlights and all over colors.

When shes not at the salon shes spending time with her little girl and her fiance. Her family loves to fish, hunt and camp. Anything to enjoy the Montana outdoors!

Her drive is to add a very personable service to each one of her clients and deepen those relationships by providing a variety of services.
