

Lindsey Frederick

Stylist and Nail Artist since 2014

I specialize in hair shaping and specialty color services. Including balayage and vibrant fashion colors.

In addition I offer spa pedicures, manicures and gel polish shellac with a creativity for intricate nail art.

I am a Montana transplant, brought to the beautiful Flathead Valley with a desire to raise my family. I am a mother of four, and when I am not at the salon you will find me cooking and baking with my children. Passing down recipes from my grandmother's infamous cookbooks. When I am not in the kitchen, I am hiking, camping, or fishing. Anything that may take me to the beautiful Monatanan outdoors. I transitioned in 2014 from the medical industry where I worked as a phlebotomist for nearly 10 years before realizing I wanted to help people in a different way. I made the leap into the beauty industry and have truly found my passion. I have a strong love for my community and a desire to work with at risk youth in our valley. It is my mission to make a direct impact on my community by beautifying my guests. By resonating my positive and bubbly energy through my chair, and into the hearts of my fellow community members. I look forward to meeting you, and getting to know you.
